

# Technical specifications

<p>Please be aware that the Theatre Shop is essentially a pop-up venue, and while we try to accommodate as much as possible we don't have a standard theatre infrastructure, a regular crew, or any significant kit beyond what is listed below.</p> <p>We have no FOH, the audience enter directly into the auditorium to buy tickets/access the bar, so the performance space needs to be clear to open 30mins before curtain up.</p>	
<b>Stage dimensions</b>	<p>Playing space/height:</p> <ul style="list-style-type: none"> <li>• 6.10 m wide, 3.05m deep 0.3m high steel deck staging</li> <li>• Stage floor to ceiling height approx.3m</li> <li>• 2 x quick change areas to SL &amp; SR of decking approx. 1.5m wide &amp; 1.3m deep (hard masking flats DS with curtained access to stage)</li> </ul>
<b>Power points</b>	<p>6x 13amp sockets on wall at back of stage, to SR 2x 13amp sockets on wall next to door to bar (used to power tech desk)</p>
<b>Sound kit</b>	<p>Yamaha Stagepas 600i PA system 3 x SM58 wired mics with boom arm stands 2 x SubZero 350w 12" active floor monitors 1 x SubZero SZW-20 Lavalier &amp; Headset wireless mic system 3 x DI boxes</p>
<b>LX rig/positions</b>	<p>All LX is individually rigged on the truss, cabled as standard for 5 lanterns at back of audience, 2 on each side truss and 3 lanterns upstage (with some cabling capacity for extra side/floor positions). We have a projector cradle available if you wish to use projector.</p>
<b>LX kit (lanterns/control)</b>	<p>3 x Strand Quartet 650 fresnels (with gel frames and barn doors) 4 x 500w fresnels (with gel frames &amp; barn doors) 8 x 500w Par 56 parcans (with gels frames) 1x 300w parcan (with gel frame) 1 x ADB 500w 18/38 profile (with gel frame) Zero 88 analogue dimmers (2x 6 channel units, 10 channels available) 12 channel, 2 preset analogue board (not programmable) A Showtech Multi exchange demux unit is available if you are able to bring your own DMX control We have a very limited stock of gel and cannot provide specific colours</p>
<b>Dressing room facilities</b>	<p>1 small room upstairs, access through bar. 2 toilets shared with audience, across bar from dressing room.</p>
<b>Access to stage</b>	<p>Through audience</p>
<b>Venue Capacity</b>	<p>Max 88 seats – please note that to achieve this number requires some audience seating at either side of the stage. End on: max 76 seats. Cabaret style seating/seating for children on the floor are possible options although capacity will be affected (max approx. 60)</p>
<b>Disabled access</b>	<p>Level access to auditorium. Venue toilet, dressing room and bar are up a flight of stairs. Public toilets with level access across square from venue.</p>
<b>Parking/Loading</b>	<p>Travelling by car aim for Great Western Road, Clevedon, BS21 6HB There is level loading access (and some parking) immediately outside the back door of the Theatre Shop in the service yard (turn off Great Western Road into the B&amp;M car park and bear right into the service yard just before the main car park entrance) Some street parking is available in the area and the B&amp;M car park is unrestricted for entry after 5pm.</p>
